**February 15<sup>th</sup>, 2006 – Vancouver, BC – Quizam Media Corporation** (“Quizam” or “the Company”) (TSX-V: QQ), through its President Russ Rossi, is pleased to announce the sale of a Quizam Software Master Site License to the Vancouver School Board for Sir William Van Horne Elementary School. Terms of the deal were not disclosed.

In addition to all of Quizam’s sales, this sale is particularly significant since it represents the first Site License to a school. Quizam sees Site Licenses as the most efficient sales channel for the Company and the most productive means by which individual schools implement broad-based Quizam acceptance.

The Quizam quizzing engine is quickly gaining momentum as teachers and students discover the power of repetition combined with the efficiency of a computer.

Commenting on this sale, Russ Rossi, President of Quizam, said, “There are nearly 16,000 schools in Canada alone. Our new SLP (Site Licensing Program) has great potential as it provides delivery and cost efficiencies for us and our customers.”
