January 18th – London UK – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce 12 more schools in England and Norway have signed up to use the Quizam Software.

The names and locations of the schools are as follows:

West Sussex, England :	Lancing College
Kent, England :	South Kent College
London, England :	Sede Maths Lab
Somerset, England :	Sexey's School
Bristol, England :	Ashton Learning Centre
London, England :	CFGS
Wiltshire, England :	Wilts LEA
London, England :	Capital City Academy
Dorset, England :	Rossmore Community College
Caterham, England :	Caterham High School
Didcot, England :	Kip McGrath Education Centre
Norway :	HIT (Norway)

Russ Rossi, president of Quizam remarked, “The demand doesn’t seem to be easing up. Each of these schools have 100’s if not 1000’s of students. This is great exposure and distribution for Quizam.”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam 2.0 Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
