September 6th, 2007 – Vancouver, BC – Quizam Media Corporation (“Quizam” or “the Company”) is pleased to announce Jenifer Elementary School will use Quizam to enhance learning and measure students’ progress each day.

Jennifer Elementary belongs to the Charles County Public Schools District, one of the fastest growing school systems in Maryland. Total student enrolment for Jenifer in 2005-2006 was 704.

Charles County Public Schools District is one of the best public education systems in Maryland and the nation, ranking in the top third of Washington, D.C. area schools. The District has been recognized by technology giants across the nation for its vision and action to provide a world-class education that integrates the latest technology in all classrooms.

Mr. James E. Richmond, Superintendent of Charles County Public Schools states in his message, “We measure our success one student at a time. And, our students are succeeding. Almost 80 percent of our students pursue some type of post-graduation education”.

Russ Rossi, president of Quizam Media Corporation, states “we are focusing more than ever on daily assessment of students so that teachers can develop unique programs that meet each and every students’ needs.”

About Quizam Media Corporation (www.quizam.com)

Quizam Media Corporation is currently launching sales of Quizam 3.0 Software, a compelling Computer-Based Assessment tool that utilizes time-tested quizzing methods to empower students to learn in an environment where their assessment is instantaneous and their learning curve is accelerated. Students that use Quizam learn faster and score higher. Quizam’s mission is to empower over a billion school-aged children and university students globally with relevant, effective and fun study aids.
