**January 29th , 2008 – Vancouver, BC – Quizam Media Corporation** (“Quizam” or “the company”) is pleased to announce it has won a contract with the BCTF to provide end user application training to the BCTF support staff.

The BC Teachers Federation was established in 1917 and is the union of professionals representing 41,000 public school teachers in the province of British Columbia. The BCTF is also affiliated with the Canadian Teachers Federation, Education International and other provincial teacher organizations.

The BCTF's initial purchase will address the immediate needs to update support and administrative staff skills regarding the deployment of Office 2007 throughout the BCTF's internal network. This migration towards a more current version of Microsoft Office is anticipated to be fully deployed once initial training sessions at On-Track Computer Training Ltd. have been completed.

David Lee, Director of Business Development, quotes “The BCTF has indicated there will be a continued need for IT training. This is a great opportunity for us to display the talents of the On-Track team.”
