NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE THREE MONTHS ENDED AUGUST 31, 2021 AND 2020

(Unaudited – Prepared by Management)

1. CORPORATE INFORMATION, NATURE AND CONTINUANCE OF OPERATIONS

Quizam Media Corporation (the “Company”) was incorporated on September 15, 2000 under the provisions of the Company Act of British Columbia. The Company’s shares are listed on the Canadian Securities Exchange (“CSE”) under the symbol “QQ. The Company’s principal business activities consist of providing computer training and consulting services, marketing of a computer based educational program, film production, consulting services and cannabis retail sales. The Company has operated retail cannabis dispensaries since November 2019. The address of the Company’s corporate office and its principal place of business is Suite 650 – 609 Granville Street, Vancouver, BC, V7Y 1G6.

These interim consolidated financial statements have been prepared on the basis of accounting principles applicable to a going concern. This assumes the Company will operate for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of business rather than through a process of forced liquidation. The Company has a history of significant losses, sizeable, accumulated deficits and working capital deficits. These factors form a material uncertainty that casts significant doubt about the Company’s ability to continue as a going concern. The Company’s ability to continue as a going concern is dependent on completing equity financings, obtaining support from related parties or generating consistent profitable operations in the future.

The Company’s operations related to in-class training could continue to be significantly adversely affected by the effects of a COVID-19 pandemic. The Company cannot accurately predict the impact COVID-19 will have on its operations and the ability of others to meet their obligations with the Company, including uncertainties relating to the duration of the outbreak, and the length of travel and quarantine restrictions imposed by governments of affected countries.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance and Basis of Presentation

These interim consolidated financial statements have been prepared in accordance with the International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”) applicable to the preparation of interim financial statements, including IAS 34, *Interim Financial Reporting*.

These interim consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries, On-Track Computer Training Ltd., Quizam Entertainment LLC and Quantum 1 Cannabis Corp. All inter-company balances and transactions, including unrealized income and expenses arising from inter-company transactions, have been eliminated on consolidation.

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments, which are measured at fair value. The financial statements are presented in Canadian dollars, which is the Company’s functional currency.
